MILTON CREAGH

Plum Grove Jr High PTSA is excited to welcome back to District 15 Milton "Big Milt" Creagh, the nationally known motivational speaker. Mr. Creagh will be at Plum Grove Junior High school on January 4th at 7pm to speak to parents on the topic of drug and alcohol use and children. All parents from district 15 schools are invited to attend. It is not to be missed!

Milton's program, Parenting Prevention, reaffirms parents as the most critical component in their child's development and ability to remain drug free. Milton discusses practical, common sense ideas in parenting efforts that really work.

Creagh started his career doing corporate training programs focused on multicultural workforces, team-building and teamwork. He then turned to motivational speaking specializing in the areas of diversity, substance abuse prevention, work/family balance, leadership dynamics and personal potential development. From the beginning of his career working with PRIDE (Parent Resource Institute for Drug Education, a non-profit youth organization), to his role as host of a parent-to-parent program, the demand for Creagh's presence by schools across the country has grown exponentially. Creagh's popularity has grown not only because he addresses the hard core issues, but he personally challenges and connects his audiences, no matter the age, to tackle the problems of drugs, alcohol and violence.
